

# Central Kentucky Virtual Enrollment Session

**Monday, November 2nd, at 7:00 pm**

At the University of Kentucky, it's all here for you. With over 200 academic programs, 550 student organizations and a campus filled with modern, state-of-the-art facilities, the University of Kentucky is a place where you can reach your potential and fulfill your wildest dreams. We know it can be difficult to make visits to campus or find time during the school day to meet with college representatives, so we want to bring the University of Kentucky to your home. I hope you and your family will join me for a special evening event to learn more about the admission process, scholarships and financial aid, academic programs, and our campus community.
