# High School Student Congress

Engage with peers from across Kentucky and the nation at the Henry Clay Center's **fully-funded public policy summer program!**

The High School Student Congress brings together 50 students for an immersive, week-long academic program in Lexington, Kentucky. The Student Congress is unique for its emphasis on bipartisan collaboration and public policy leadership development.

**June 8 – 13, 2020**

Conducted in partnership with the Martin School of Public Policy and Administration at the University of Kentucky, the High School Student Congress is an ideal program for students interested in government, politics, leadership, and public service.
