Parent/Guardian Input for Student Classroom Placement

Student's Name: _____

Student's Date of Birth: _____

Student's Gender: _____

Student's Grade Level for 2019-2020: _____

As the parent or legal guardian of the above mentioned student, I am providing information that I would like to be considered for the best potential placement of my child in the upcoming school year.

I understand I may list teaching style preferences and teacher characteristics, but not a specific teacher by name. I also understand that while every effort will be made to honor my request, the final decision will be made in the best interest of all students by the EBW principal, counselor, and teachers.

Please provide information for at least three different teaching characteristics that you would like to be considered. The reasons for requesting these teaching characteristics must have a valid educational basis, for example, learning style of student, teaching style, discipline concerns, etc. You may also list any other special concerns in the space allowed for explanations and considerations. **All forms must be submitted by May 15th** to be considered for the upcoming school year.
