WHAT WILL WE LEARN THIS YEAR?

Academic Lab will be a time to grow our skills. We will work specifically on meeting our individual academic goals and on self advocacy. This will also be a time to receive support for other classes. We can complete homework, do make-up work from an absence, or complete work from class that was unfinished. Time will be allotted to organize materials for other classes.

IMPORTANT RESOURCES

Many assignments will be placed on Google Classroom. Class code: **nbi2gkf**
